

Welcome to the JUNE edition of the Sonicwarp newsletter!

As temperatures rise and summer actually seems to have arrived, we trust our June newsletter will find you hot on the trail of solving our puzzles. Plus, as the perfect gift idea for Father's Day (June 15th), check out our SPECIAL OFFER below...

...enjoy!

RIDDLE OF THE KINGS UPDATE

On 16th April, **Kay Smith from Coventry** was presented with a cheque for **£1,000** at Hamleys in London.

"Well done Kay for successfully solving the password to the riddle".

The full riddle has yet to be solved and £2000 is still up for grabs!

Full details can be seen on our website.

NEW Treasure Chest Game

The game with no losers, only winners!

The game requires you to purchase a token at a cost of £100 (you will get this back when you wish to leave the game) which will enable you to take part in the game each month.

Each month you will be required to correctly answer 5 multiple choice questions. If you answer all 5 questions correctly, your token will entered into the treasure chest draw.

Every month Sonicwarp will draw a token from the pool and the winner of the draw will receive a cash reward from the treasure chest fund. The available fund will be updated daily and displayed on this website throughout the month. With regard to the draw we will invite an individual involved in the treasure chest game to witness the draw at Sonicwarp's Head office.

Sonicwarp will add to the treasure chest fund on a daily basis. The more players in the game the more money will be added to the fund.

Anyone that wishes to return their treasure chest token to Sonicwarp will have their £100 payment returned within 30 days.

It's as simple as that. That's why we call this game "The game with no losers, only winners"

To find out more please visit: www.sonicwarp.com/treasurechest

ISIS II update

We know you are all waiting for news of when the next in the Isis puzzle series will be available to you. We are very busy on the final development stage but we can now reveal the official launch will be in Hamleys in London, when the Isis II will be available for you to buy on the day.

We'll keep you posted of the launch date in Hamleys on our website, nearer the time.

In addition, we will also be offering you the opportunity to pre-order and be one of the first to own the brand new Isis II.

The NKUBIT

Yes, that's the official name of the **NEW** puzzle in the NKryptor series!

In our last newsletter we asked you to help us name this new puzzle and **the lucky winner of a free NKUBIT is Colin Crayden, who chose the name.**

The NEW 'NKUBIT' will be available to buy very soon...

Keep an eye on our website for the official NKUBIT launch date!

NEW Isis II online game...

As part of our commitment to continually grow and develop the Isis Adventure, we are developing a brand new online game which will be released alongside the Isis II puzzle.

The game aims to further enhance both your Isis Adventure and your online experience.

It will also offer further insights into our Isis Adventure story...

Who are the keepers?

What do they hope to achieve?

The game will include logic puzzles, together with our trademark clues and passwords and each month we will present awards to those of you who manage to complete the game. We will then change the clues and passwords for the following month, giving you further chances to win.

NEW Online Game Release...

The planned release date for the game is August 2008.

SPECIAL OFFER!

Are you looking for something special this Father's Day?

We have the perfect solution!

The first 100 customers who purchase our engraved Father's Day Limited Edition Isis Puzzle are entitled to buy it for a special **LOW PRICE** and get **FREE POSTAGE** too.
